

Clayton Nolte - Researcher and inspired inventor of life transforming water structuring technologies

He has spent the last forty years exploring physics, math, and the properties of water, and the effects it has on life.

Structured Water:

- Is the ultimate health food
- Is Fresh and Invigorating - great for drinking, showers, washing, and bathing
- Neutralizes the effects of pollutants
- Eliminates existing calcium and aragonite deposits producing spotless dishes and cars without chemicals
- Prevents and removes corrosion increasing the life span of pipes, hot water heaters, swamp coolers, dishwashers, water heating systems, ice makers, etc.
- Improves the ability of plants to withstand lower freezing temperatures (down to 26 F)
- Improves crop and garden growth (studies have shown bio-mass can increase 27-40%)
- Increases aerobic bacterial activity in all septic and sewage systems
- Reduces anaerobic bacteria

Additional Benefits of Structured Water:

- Less soap is consumed when washing
- Better tasting coffee, juices, and beverages
- Longer lasting cut flowers
- Healthier livestock and pets
- Cleaner and healthier fish tanks
- Less algae growth in ponds and lakes

Introduction to Structured Water with Clayton Nolte

Natural Action Water

Toxins AND ALL THINGS THAT ARE NOT GOOD FOR LIFE ARE MOVED ASIDE, NEUTRALIZING THEIR HARMFUL EFFECTS ON ALL LIFE

TIRED OLD TAP WATER?

- 🌐 Low Energy
- 🌐 Clustered and Entangled
- 🌐 Hard Water
- 🌐 Unbalanced PH

When water is structured with our Natural Action unit, all its negative memories are erased. This allows the water to return to its natural state.

Natural Action Water energetically inhibits the bio-availability of toxins and increases the bio-availability of nutrients creating...

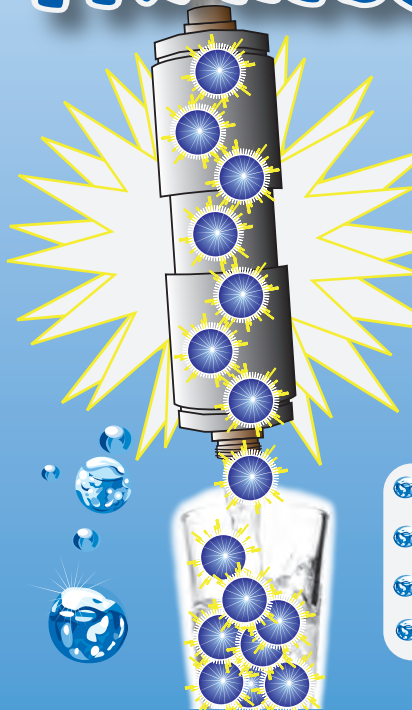

Perfect Natural Balance!

Natural Action Water creates coherence and a lower surface tension, therefore water is absorbed effortlessly into all your cells!

The water and you, in turn, expand to your highest coherent energy potential!

- Portable Unit - \$249.00
- Shower Unit - \$249.00
- Under the Sink Unit - \$349.00
- Garden Unit - \$349.00
- Large RV Unit - \$999.00
- House Unit - \$999.00
- Commercial Unit - \$1,499.00

TRANSFORMED!

Utilizes Multiple-Vortexing Action Technology with no moving parts!

The water itself is the machine, structuring itself as it tumbles across an array of mathematically calculated geometries inside the unit.

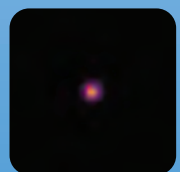

- 🌐 Wetter
- 🌐 Softer
- 🌐 Balanced PH
- 🌐 Energized!

And that's just the beginning.... Once you experience the water you will never want to be without it. Your body will feel incredibly energized.

This innovative Device works without chemicals, filters, salts, electricity, or magnets. Best of all, there are no moving parts or complex metal alloys.

The Natural Action Water units are a maintenance-free water structuring system and you only have to buy it once!

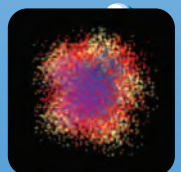

USING THE GDV DEVICE TO MEASURE BIO-PHOTON LIFE FORCE ENERGY

Distilled and Reverse Osmosis (RO) water has so little Bio-Photon Life Force Energy that it is functionally dead.

Bio-Photon (life force) Energy Emissions from a single drop of fresh well water (from Taos NM) before structuring.

Natural Action Structuring shows dramatic visual evidence of the Bio-Photon Life Force Energy (+83%).
